

Therapy Connections

Clinical Supervisor - Children's Therapeutic Services & Supports

Organizational Summary: Therapy Connections, LLC, is a small group practice offering high quality mental health services in the areas of psychotherapy, counseling, Dialectical Behavior Group Therapy, and Children's Therapeutic Services & Supports. We serve individuals, couples, and families who would like assistance in dealing with the issues, problems, or stressors in their lives. We are passionate about improving the lives of our clients with high-quality professional clinical care. Teamwork is a key component of the services we provide, and we are proud to offer our employees high quality consultation, supervision, and administrative support. Our focus on high quality client clinical care is responsible for our current growth, and the need for additional CTSS Supervisors. Part of our mission is encouraging and supporting the professional clinical development of individuals who join our team, and future growth opportunities within Therapy Connections is always considered for professionals who wish to expand their clinical skills.

Position Summary: Therapy Connections is currently seeking a full time Clinical Supervisor to join our Children's Therapeutic Services & Supports (CTSS) team, to supervise and mentor five to seven Mental Health Practitioners out of our Blaine office location.

Job Duties Include:

- Provide individual and team supervision on a bi-weekly basis
- Co-facilitate CTSS Staff and Case Consultation meetings each month
- Complete in-home Diagnostic Assessments for new and existing CTSS clients and assign Mental Health Practitioners as needed
- Direct and oversee treatment/interventions for clients
- Review and approve supervisee documentation weekly
- Consultation availability by phone to Mental Health Practitioners as needed
- Provide consistent client/family visits to ensure quality care
- Accurate, timely completion of billing and clinical documentation
- Mental Health Practitioner staff reviews as scheduled and or needed
- Support Mental Health Practitioners in meeting position requirements
- Other duties as required

Requirements:

- Graduate degree in Psychology or Social Work
- Ability to work independently with good organizational skills
- Licensed Mental Health Professional (LICSW, LMFT, LPCC or LP) must be active and unrestricted
- Understanding of family systems preferred
- Some evening or weekend work availability required
- One to two years of Leadership or Supervision experience
- Knowledge of, or previous experience working with CTSS programs or children and families preferred
- Possess a valid Minnesota driver's license, active auto insurance and reliable vehicle

Available Benefits:

- Salaried position
- Flexible Work Schedule
- License Reimbursement
- Cell phone stipend
- Paid Time Off benefit
- Supplemental Group Benefits
- Professional Consultation Available

If interested in joining our Team please email a cover letter and resume to HR@therapy-connections.com or fax to our confidential fax number at 763-208-6371. Thank you for your interest in Therapy Connections.
