

Therapy Connections

DBT Group Facilitator

Therapy Connections is currently seeking an adolescent Dialectical Behavior Therapy (DBT) Group Facilitator at our Blaine location. Our program follows the Behavioral Tech Model developed by Dr. Marsha Linehan. In addition, we integrate teen-friendly activities to practice and teach the DBT modules and skills. Our small group size focuses on providing excellent clinical care, and making a difference in the lives of our clients and families.

Job Duties Include:

- Required attendance at our monthly DBT consultation group
- Weekly consultation as needed for client concerns
- Provide DBT coaching to clients and parents/guardians as needed
- Follow the Adherent Behavioral Tech Model
- Completing all necessary clinical documentation on a weekly basis
- Consultation with Lead DBT Facilitator or Clinical Director as needed
- Following up with parents/guardians on any concerns or attendance issues

Position Requirements:

- Undergraduate degree in Psychology or Social Work with two or more years of DBT experience and approved training
- Master's degree in Psychology or Social Work with approved DBT training and/or approved experience
- DBT and/or outpatient therapy or social work experience preferred
- Clinical understanding of Family Systems models and theories preferred

If interested in joining our Team, please email a cover letter and resume to:

HR@therapy-connections.com or fax to our confidential fax number at 763-208-6371.

Thank you for your interest in Therapy Connections.
